Lady Bears bounce back

by John Middlekuff

It is an old adage in sports reporting that sometimes the score doesn't really indicate the true nature of the game in question. This fact was very much evidenced this past week by Northern's Girls Basketball team. On Monday evening (1/22), the Lady Bears stepped out of their division to host the very tough Lady Shamrocks of Trinity High School out of Division I. Trinity was the game 44 to 32, so one would naturally assume it was a total blowout! Not so, Northern did in fact play pretty strong game after game just had trouble scoring. Let me rephrase that statement, they got the shot they just wouldn't go in.

Trinity, led by Senior Superstar Michelle Voreday's 17 points just had too much firepower for the Lady Bears to handle. Actually, Trinity had nine other players scoring points to help their offensive effort. Northern, with Gretchen Klaus' 12 points leading the way would claw their way back in this contest, but just could not come up with that one big bucket that would have made a difference.

On Tuesday (1/23) the Lady Bears went back to the Division III wars, with an afternoon game against Shippensburg. Northern was able to come back against the Lady Greyhounds and pull out a 46 to 32. In this game, the score might indicate that Northern had an easy time of it. Not so! Having played Friday night, the Lady Bears had a late night game against Trinity on Monday night, so it was a tired group of girls that Coach Rick Speck sent out against Shippensburg. Northern was led, once again, by Junior points. Gretchen got offensive support from Nancy Jacoby (9), Key Kula (8), Amy Minich (6) and Rebecca Fox (4).

This past Friday (1/26) the Boiling Spring Bumble in what can only be described as a mismatch. For the Lady Bumble, that one was over in a knockout off Camp Hill also in Division I. Northern, the Northern faithful, that Big Spring will not be a push-over and will be working to avenge the first half loss to Northern.

At the end of the first quarter, Northern had a 29 to 11 lead that would only get larger. Gretchen Klaus panted the way as she hit for fourteen points in that quarter alone. The entire Northern offense really showed up in this one. The Minich twins put it together. Amy Minich (10) and Rebecca Fox (4) were in 15 points, while Becky naded 13. The other two starters, Nancy Jacoby and Key Kula likewise added the cause with each scoring 8 points each and both helped the Lady Bears control the backboards. If the girls were using this game as a warmup for the coming battle Tuesday (1/26) at Big Spring, they certainly put it together.

The game at Big Spring will have a significant bearing on the second half aspirations of a Lady Bears. Northern got a big boost when the Lady Bulldogs knocked off Camp Hill also in Division I. Northern, the Northern faithful, that Big Spring will not be a push-over and will be working to avenge the first half loss to Northern.

Polar Bears struggle

Northern Boys Basketball team has two big opportunities to improve its record slip right out the window this past week.

On Friday night (1/19) the Bears showed East Pennsboro the build up big first half lead, and cruise to a 61 to 57 victory. Saturday night (1/20), in a non-divisional match-up, Northern just could not find the right combination to off set the surge thrown at them by Lower Merion, as they dropped a 74 to 43 verdict.

Against East Pennsboro, Northern was able to outscore the Panthers 29 to 19 in the second half, but it just wasn't enough to overcome a big lead (44 to 29) enjoyed by East Pennsboro in the first half. This, unfortunately, has been the story in other Northern games this year. The Bears either get off to a slow start themselves, or their opponents just come out hotter than a firecracker, or a combination of both. Northern has to buckle twice as hard, but cannot stop there.

In the East Pennsboro contest, the Bears scoring was led by Senior Len Ferencik, who found the hoop for fifteen points. Len was aided by Chris Fider (13) and Greg Jancouneau (10) as double figure scorers, but it wasn't enough.

Against Lower Merion, it was pretty much the same kind of picture. The Panthers hammered the Bears 43 to 27 in the first half, and proved it was no fluke as they dominated them in the second half as well 33 to 21. It goes without saying, that playing back to back games, on consecutive nights just has to take the starch out of you, but don't take anything away from L.D. they were tough.

Northern was led once again by Len Ferencik (14), who seems to have found the basket, and Chris Fider (12) who has been steady all year. But the Falcon combination of Castille (25), Miller (14), and Hoffman (12), was more than enough to offset Northern's offensive effort. Two wins "at this point" on the season.

Lady Bears handle Penn

by John Middlekuff

Friday night (1/19) the Lady Polar Bears put together the best of their game to dominate East Pennsboro 60 to 36. Someone will, no doubt, point out that it is not a very strong E.P. win. That is true, but you simply have to marvel at the way Northern played a total game for perhaps the first time this year. They played excellent defense, which they helped each other out. Their offense did what it had to do, and the girls played a great unselfish, passing game.

The Lady Bears were led by Nancy Jacoby with twenty-two points and Gretchen Klaus who finished with twenty points on their own. But the play of Amy and Becky Minich along with Key Kula was just as important as the point production. So complete was the play of the starting five, that even Northern's bench at Rebecca, Tammy, Stacey and Jennifer got some very important playing time.

Lake working a jigsaw puzzle, it is always fun when you can get those pieces to finally fit together. If the Lady Bears have really gotten it together, it couldn't have come at a better time! Northern has a tough schedule right now. Monday (1/22) the Lady Bears take on the "legend" of Girls Basketball- Trinity in a non-divisional contest. What makes that so bad, is that the very next night (1/23), Northern starts the second half of play taking on Shippensburg. Now things can get very interesting.

*If a person is convicted of driving 31 miles per hour over the speed limit, in addition to 5 points, the Department requires a person to attend a course in which he must receive a recommendation for the person's driving record to be removed from the person's record for a period of not more than 15 days or less.

Points awarded against any person are assessed at the rate of 1 point for each 12-mile violation in which a person has not received any violation which results in an assignment of points or suspension or revocation of the driver's license.

(A later article will consider some of the ways speed limits are enforced and how the present system can be improved by removing the limit.)
